15.	Bariatric & Metabolic Surgery Training	Bhatia Global Hospital, Ambika Vihar, South Delhi & Sir Ganga Ram Hospital, New Delhi	13 th Oct to 15 th Oct 2016
16.	Bariatric Surgical Workshop training	Asian Bariatrics & Cosmetics Centre, Ahemdabad	30 th & 31 st August'2019

Surgical Experience:

My current areas of surgical interest and research are

1. Endoscopic & Robotic Endocrine surgery
2. Advance endoscopic & robotic thyroids surgery
3. Advance endoscopic & robotic thymus surgery
4. Advance reconstructive breast surgery
5. Diabetic Foot Care
6. Metabolic & bariatric surgery
7. Training in advance endoscopic endocrine surgery

Research and Publications

Funded & Non funded Research Project	12
Collaborative research Interdepartmental	10
Publications - Indexed	64
Abstracts- Indexed	24
Chapter in Books & Monogram	06
Books & monogram	04
Regular reviewer of	IJOS, BJS, AOTS

Membership of Societies:

Life member of more than 10 Scientific societies (national & International) and

- Vice president of Association of Surgeons of India 2014
- Vice president of Indian Society of endocrine Surgeons 2015

Conferences & Live workshops:

- Have organized more than 10 live operative workshop at SGPGIMS & Outside
- Have organized more than 20 international & national Conferences at SGPGIMS

Participated in Conference/ Symposia/ CME/ Live Operative Workshop etc.

- Attended more than 150 International and national scientific conferences
- Operative faculty in more than 20 live workshop in International & National conference in India
- Presented more than 100 orations, invited guest lectures, research papers, in international and national conferences
- Young Surgeon awards, young teacher award, Best paper award & many travel grants in various International & national conferences.
